JANUARY 8, 2023

ASIC Offshore & Marine Sdn Bhd and PT Dok dan Perkapalan Kodja Bahari (Persero) Memorandum of Understanding (MOU) Signing Ceremony – Jakarta, 2023

MOU Signing & Witness by Prime Minister of Malaysia in Jakarta

This Memorandum of Understanding (MOU) between ASIC and PT DKB is to capture market share and opportunities for a short-term and long-term for engineering, shipbuilding, ship repair, financial investment for production instrument and production facilities, onshore and offshore engineering, fabrication, installation and commissioning services and offshore asset EPCIC projects for floating (FSO/FPSO/FLNG/Calm Buoys) and fixed platforms with our customers and any other Badan Usaha Milik Negeri (BUMN), major oil and gas players, shipbuilding and ship repair companies as well as national shipping companies in region of Indonesia.

The MOU signing, which was held at Hotel Grand Hyatt, Jakarta, Indonesia was witnessed and endorsed by The Honourable Prime Minister of Malaysia, YAB Dato Seri Anwar Ibrahim, YB Senator Tengku Zafrul Abdul Aziz, Minister of Trade and Industry (MITI), YB Zambrzy Abdul Kadir, Minister of Foreign Affairs together with Indonesian counterpart The Honourable Minister for Public Works and Housing Dr. Ir. M. Basuki Hadimuljono and The Honourable Minister of Foreign Affairs, Retno Lestari Priansari Marsudi. The event was organised by the Ministry of Trade and Industry (MITI) and Malaysia External Trade Development Corporation (MATRADE) facilitated by the Embassy of Malaysia, Jakarta together with the Government of Republic Indonesia. KEY EVENTS

The synergy of joint venture partnership collaboration between these two companies – ASIC representing Malaysia and PT DKB representing Indonesia shall strengthen the business ties between two countries. This partnership shall also drive strategic initiatives for long-term economic development in Indonesia by forging global partnerships with Indonesia counterparts and opening doors for Malaysian companies to do business in Indonesia via ASIC. With the MOU in place, both parties shall demonstrate transfer of knowledge and technologies between Malaysia and Indonesia to promote Malaysia Oil & Gas industry and facilities in Asia Pacific region. The estimated value of this joint venture partnership (JVP) is more than RM500 million in 2 years.
