SEPTEMBER 13-15, 2022

OGA x MOGSEC & PSC 2022

ASIC Offshore & Marine Sdn Bhd was delighted to take part in the Oil & Gas Asia virtual event and OGA x MOGSEC & PSC 2022 exhibition and conference held on last 13th – 15th September 2022 at Kuala Lumpur Convention Centre (KLCC). We had the chance to interact with industry professionals from around the world and demonstrate our expertise and capabilities in the upstream, midstream and downstream segments of the Oil & Gas industry highlighting our Cold Work Technologies services and our presence in the industry local and overseas.

KEY EVENTS

Our participation in the exhibition event has provided us with the opportunity to build new relationships and gain valuable insights of the Oil & Gas industry, specifically in Malaysia.
